

## Environmental Management System Policy – ISO14001:2015

ASPECT Studios Pty Ltd is seeking to align its environmental management system with the requirements of ISO 14001:2015 and certification to this standard. In doing so, it is seeking to ensure that this management system is fit for purpose for a business of its size but is scalable for future growth.

ASPECT Studios Pty Ltd maintains an integrated system of policies, procedures and work instructions that lay the fundamentals of our business activities. We call this our environmental management system.

**Scope:**

The ASPECT Studios Pty Ltd Quality Management System, Workplace Health and Safety Management System & Environmental Management System encompasses all the activities involved in delivering design outcomes for our clients as described below:

***“ASPECT Studios is a design consultancy delivering Landscape Architecture, Urban Design, Wayfinding, Signage and Digital Design Services”***

**Commitments:**

We have established environmental objectives:

- To ensure the ongoing effectiveness of our EMS, we will commit to continually improve our procedures and processes.
- We shall comply with all relevant Environmental Legislation and Regulations.
- We are committed to assessing the lifecycle impacts of our purchases and ensure our clients are advised of the lifecycle impacts of design and materials selection.

We are committed to delivering and achieving these objectives whilst respecting the community, our clients and the environment. It is important that we as a team understand our mutual obligations and responsibilities.

Ivan Ross, CEO
